Golf Day

- Had 8 additional teams this year
- March is a good time for event.
- Nigel not taking this on this event next year, so we will need to find someone else to take this on, preferably a golfer

- Big success of the day is auction, be good to start sourcing prizes now
- The auctioneer was great, it would be good to contact them to tee them up for next year
- The 'dressed up' holes were good
- The food was great
- Lots of coleslaw left over, pork was the right quantity
- Buggy
 - was busy,
 - Raffles shouldn't be done as part of the buggy next year, these should be done at the raffle table at hole 10
 - Drinks cart needs to be more regular, and never go backwards. Consider doing 2 buggies. Couldn't sell alcohol before 11am.
- Thank you cards have been written and circulated. In future the cards can be done by the kids.
