BOT Report – Building on track for 12th Dec

Repaint of school.

Whareako Reo to be in room 21, once the before\after school care program has moved back into the small hall.

Gary's wish list – maintenance/ repair existing playgrounds to get up to spec.

Bike\scooter track

Seeking input for students

Mud Kitchen

Ear mark funds to go towards adding playground to each area.

General business – Golf day went well despite the day change, though much better in Feb\March. Discussed the amount of helpers needed to ensure that we have all aspects of the day covered, especially the auction and pack up at the end. Cards are done, and need to be handed out.

Calendar Art – Is underway with teachers, still need completion dates. Bron will contact art people regarding the date.

Ag Day – Ran through the list of previous years stalls, Anita suggested we find a replacement for the balloon pop game, biodegradable balloons were a discussed. We are able to get coconuts for the coconut shy thanks to Rachel.

Jolly jars need more guidance, as some parents raised concerns that the jars were sold to cheap in relation to how much was spent on the contents. Set \$3.00/\$5.00 limits etc. Also

the suggestion was made that parents providing jolly jars are exempt from providing baking for that age group. Bron to check in with the year 3-4 teachers regarding the jars.

Dunk Tank – Need to find something different for a change.

Cake Stall – split into areas, types of food. Instructions to go on cake boxes need to be re-written.

Raffles – Can the usual grocery hampers, replace with a couple of nice ones from New World, and a meat pack too.

Coffee/Food – all on the top court
