

WAIMAUKU SCHOOL

OPENING DOORS TO LIFE'S JOURNEY

KIWI COMPETITION

19 March 2020

Dear Parents and Caregivers,

In the past, we have offered our students the opportunity to sit an external assessment through ICAS which is an Australian based test. This year we are offering English, Mathematics and Science Competitions through the University of Canterbury.

These competitions take place annually and are designed by New Zealand teachers for New Zealand students based on the New Zealand Curriculum. For further information, please consult the CAM website www.canterbury.ac.nz/cam.

The competitions are open to all Year 5-8 students in English, Mathematics and Science. Students can enter in one or more subjects. This year the competition will provide parents with an Individual Pupil Report of a student's performance. The supervised online tests will take place in the last 3 weeks of Term 2 and the first week of Term 3. All participating students will receive a certificate and prizes will be awarded to top students. Entries are administered by the school and are open from Monday 23 March to Wednesday 8 April. Entries cannot be accepted after 8 April. The preferred way is to complete the permission slip and pay is through Kindo, however, you can bring the completed form into the office.

Mrs Purchase

I give permission for my child: _____

DOB _____ Year level _____ Room number _____
