Barfoot and Thompson sponsored/nominated our school for a sailing excursion for a group of students. The students had an awesome day.

Change to the structure of the school is happening next year. Year three and four will no longer be composite classes (5&6 remain unchanged), junior school will be years 1-3. We still have enough classrooms for this. The timetable change will see school hours broken into 7, 40 minute teaching blocks.

Two teacher only days have been booked in for the following year. 7<sup>th</sup> of Feb bookending Waitangi Day, and the 7<sup>th</sup> of March.

Two Board Members are stepping down at the end of this year, one of which is the Presiding Member. Nigel has been nominated as interim Presiding Member.

8. General Business:

AG Day De-brief;

Check out APEX Bouncy Castles, see how local they are.

Could have done with another food truck (Hungarian Bread pulled out at last minute).

Facepainting went really well, location was awesome.

Getting teachers to run a stall, and organise their own volunteers simplifies parent help, less organization for us.

Cake stall would probably require 3 classrooms, as is really busy. Cake stall could spread out a little more, add another table. Jennai and Shanae did an outstanding job running this. Bree has offered to put up prizes for 2<sup>nd</sup> and 3<sup>rd</sup> places in The Most Glorious Cake competition.

Fire Truck's location in the school driveway was a great success.

Balloon Pop will stay in the same location next year, just using the Lost Property cupboard as the backdrop instead.

Photo Booth is lost in the library, potentially move it into the pavilion.  
Gumboot Throw, do we need more groups, eg; age group boys and girls? We would need more prizes.

Think of some new stall/game ideas. Use 'pit' area (front of room 16) as it's the dead area.

Float's kept and counted separately, Cake stall, Lions Sausage Sizzle and Photo Booth.
